

IDEAS MANIFESTO

2024 LOK SABHA ELECTIONS

'MO CUTTACK'

Sandhya M. Mishra
3.05.2024

ବିଜୁ ଜନତା ଦଳ

Dear Voters,

Jai Jagannath, Vande Utkal Janani

I'm excited to present "Mo Cuttack" **Ideas Manifesto** which we would debate, deliberate, and prioritize post-election through a citizen- representative-government partnership process. This document is created based on inputs gathered through three different processes:

- 1.Co-creation: While travelling across Cuttack Parliamentary constituency, I heard a lot of ideas and suggestions which we tried to distil and present in this manifesto.
- 2.Ideation: After hearing the feedback, we interacted with thought leaders and came up with creative solutions that can propel Cuttack to greater glory.
- 3.Gathering of best practices: From my experience of travelling around the world, I have some exposure to some best practices on how areas can be modernized keeping the cultural ethos and context intact.

The **Ideas Manifesto** is designed into two parts; the first part covers the holistic roadmap for Cuttack Parliamentary Constituency and the second part details out road map for each Assembly constituency alphabetically.

This document will definitely guide us to build a **"SAMRUDDHA CUTTACK"**.

Look forward to hearing your views and suggestions on the **Ideas Manifesto** document through WhatsApp @ 9938887855.

ODISHA OF MY VISION

“I would like to see that every citizen of my State has a decent roof over his head, every family gets drinking water and all-weather protection. They must have all-weather roads and bridges, schools properly manned with able teachers and hospitals with adequate number of excellent doctors. It has to be ensured that every nook and corner of my State has proper healthcare, proper schooling, proper road system and communication systems like telephones, like electronics - all that the modern science has given, the average villagers must have.”

ନବୀନ ଓଡ଼ିଶା, ସଶକ୍ତ ଓଡ଼ିଶା

**“ଯୋଡ଼ି ଶଙ୍ଖ ହେଉଛି ଓଡ଼ିଶାର ପରିଚୟ
ଯୋଡ଼ି ଶଙ୍ଖ ହେଉଛି ବିକାଶର ପରିଚୟ**

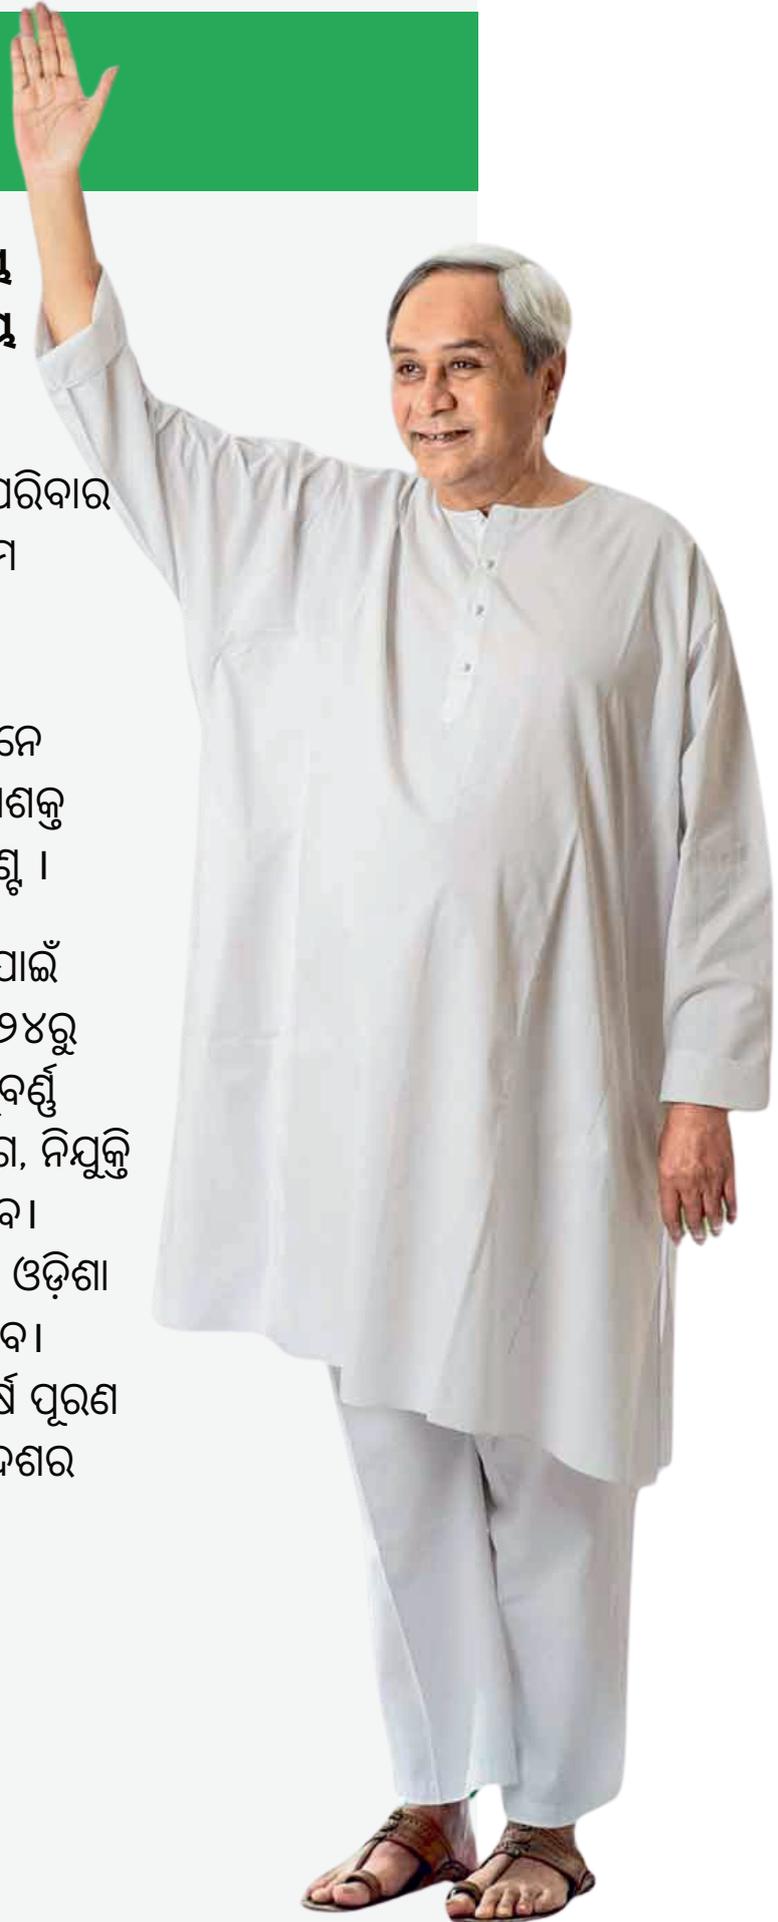

ସାଢ଼େ ଚାରି କୋଟି ଓଡ଼ିଶାବାସୀ ହେଉଛନ୍ତି
ମୋର ପରିବାର। ଏହି ସାଢ଼େ ଚାରି କୋଟି ପରିବାର
ସଦସ୍ୟଙ୍କ କଲ୍ୟାଣ ପାଇଁ ମୁଁ ସବୁବେଳେ କାମ
କରିଚାଲିଛି ଓ ଶେଷ ପର୍ଯ୍ୟନ୍ତ କରିଚାଲିବି।

ଓଡ଼ିଶାର ଚାଷୀମାନେ, ମିଶନ ଶକ୍ତିର ମା’ମାନେ
ଜିରୋ ପରସେଣ୍ଟ ସୁଧରେ ରଣ ପାଉଛନ୍ତି। ସଶକ୍ତ
ଓଡ଼ିଶା ଗଠନ ଦିଗରେ ଏହା ଏକ ମାଇଲଖୁଣ୍ଟୁ ।

ରାଜ୍ୟର ବିକାଶରେ ଯୁବଶକ୍ତିର ଉପଯୋଗ ପାଇଁ
ରାଜ୍ୟରେ ସ୍ୱତନ୍ତ୍ର ଯୁବ ବଜେଟ ଆସିବ। ୨୦୨୪ରୁ
୨୦୩୪ ଏହି ଦଶକ ହେବ ଯୁବଶକ୍ତି ପାଇଁ ସୁବର୍ଣ୍ଣ
ଯୁଗ। ଯୁବ ବଜେଟରେ ଶିଳ୍ପ, ପୁଞ୍ଜି ବିନିଯୋଗ, ନିୟୁତ୍ତି
ତଥା ଦକ୍ଷତା ବିକାଶ ଉପରେ ଫୋକସ ରହିବ।
୨୦୨୪ରୁ ୨୦୩୪ ହେବ ଓଡ଼ିଶାର ଦଶକ ଓ ଓଡ଼ିଶା
ତା’ର କାମ ପାଇଁ ବିଶ୍ୱର ଦୃଷ୍ଟି ଆକର୍ଷଣ କରିବ।
୨୦୩୨ରେ ଯେତେବେଳେ ଓଡ଼ିଶା ଶହେ ବର୍ଷ ପୂରଣ
କରିବ, ସେତେବେଳେ ଆମ ରାଜ୍ୟ ହେବ ଦେଶର
ଏକ ନମ୍ବର ରାଜ୍ୟ।”

ବିଜୁ ଜନତା ଦଳ

BJD'S COMMITMENTS

REAL WORK

1. ନବୀନ ଓଡ଼ିଶା ସମୃଦ୍ଧ ଏବଂ ସଶକ୍ତ ଓଡ଼ିଶା

Under the Leadership of Honorable Sri Naveen Patnaik, Odisha has truly entered into the 21st century by creating Odia pride through socio-economic growth. While 5T has transformed the way Governance is run through a doorstep delivery mechanism, the entire government machinery has remained agile to the voice of its citizens on the ground. Honorable CM's vision has been truly inspiring where investments and economic growth are exceptional, to say the least.

2. ସହଜ ଏବଂ ସରଳ

BJD is committed to creating a citizen-centric services model to make the lives of its citizens better and simpler. Its trademark delivery mechanism around "Mo" has created a buzz across the country.

It created a service delivery framework for different strata of society like children, youth, women etc. Some of the path-breaking initiatives like Mo School, Mo Parivar, BSKY, NUA O, Magic Card etc. have delivered services never seen before.

3. ଓଡ଼ିଶାର ଅଭ୍ୟୁଦୟ ଭାରତର ବିଜୟ

Odisha is fast becoming the global hub for initiatives around sports, education, tourism, and healthcare. Odisha is growing at a faster pace than the national average. People across the globe

BJD'S COMMITMENTS

CONTINUED..

recognize Odisha because of its sports infrastructure and world-class tourism destinations. New initiatives like "Mo Career" will create a new direction for the youth of Odisha.

4. ଓଡ଼ିଆର ଜୀବନ ଜଗନ୍ନାଥ ନାମ

We are pious Odias and deeply connected with our roots and religious institutions. Our cultural heritages are connected with all of them. BJD govt is cognizant of this fact; and invested heavily to reignite the Odia cultural pride. Some of the projects like the Puri Parikrama Project, Ekamra Development Project, and Samaleshwari Parikrama Project are the benchmarks to follow. A cultural Renaissance of such kind will provide us with soft power for growth and development. In the true spirit of Lord Jagannath, institutions of all religions have been supported and upgraded.

5. ଓଡ଼ିଶାର, ଓଡ଼ିଶା ପାଇଁ, ଓଡ଼ିଶାରେ ନିର୍ମିତ

While National Parties have other states in mind and leadership bandwidth is spread across, BJD is only focused towards Odisha and its growth. Allow your MP to be your voice in the Parliament. We believe in cooperative federalism for Odisha's development.

WHAT DO WE LOOK FOR IN A LEADER?

LEADERS BY DESIGN NOT BY CHANCE

01

Integrity: Honesty and a strong moral foundation are crucial. Leaders need to act ethically and be consistent in their words and actions.

02

Visionary: Effective leaders have a clear, compelling vision for the future. They clearly articulate where they want to lead their community or country and how they plan to get there.

03

Experienced: Their experience creates the ability to make informed decisions, understand complex issues, and execute plans efficiently. This includes having a good grasp of policy, economics, and international relations, as applicable.

04

Approachable: True Leaders understand and care about the needs and struggles of their constituents. They are approachable and willing to listen to diverse perspectives and be available to the citizens.

05

Accountable: They take responsibility for their actions and those of their administration. A good leader does not blame others for mistakes but seeks to learn and correct them.

06

Resilient and Courageous: The ability to withstand criticism, overcome challenges, and remain focused on goals is crucial for a political leader.

07

Development Oriented: Leaders that are transparent about their policies, decisions, and the reasons behind them. They choose the policies for the greater good of the population at large.

08

Inclusive: A commitment to equality and justice, ensuring that policies and decisions consider all segments of society, including marginalized and underrepresented groups.

09

Crisis Competence: The ability to lead calmly and decisively during emergencies, making informed decisions to protect the public.

10

Modern and Responsive: The world changes rapidly, and effective leaders must be able to adapt their strategies and policies in response to new information and circumstances.

ABOUT DR. SANTRUPT MISRA

Dr. Santrupt Misra is a role model for youth in Odisha and India as to how you can reach the heights of multiple achievements despite humble beginnings. He worked and closely interacted with various strata and segments of society in different stages of his career including tribals, farmers, students, industry bodies, large corporations, trade unions, professional associations and NGOs. His area of expertise includes global business, transformation, people development; institution building and partnership management. He deeply cares for transforming the lives of people, creating opportunities for them and for issues affecting the quality of life and happiness of people such as the climate, health, employment and education etc.

His early life was spent in places like Nayagarh & Angul to name a few, where he experienced how limited opportunities restricted one's ability to grow and made him determined to rely on hard work and best usage of whatever one got to become the achiever he became.

He comes from a family of professionals and educationists. His father, Dr. Biswamohan Misra, is a renowned educationist and helmed educational leadership positions in Ravenshaw College/ Khallikote College.

Dr. Santrupt Misra completed his high school at Secondary Board High School, Cuttack. He studied at Ravenshaw College and graduated from there. A recipient of multiple gold medals for his academic achievements, Dr. Misra holds M. A. degrees in Politics and Personnel Management & I. R. from prestigious institutions like Utkal University and Tata Institute of Social Sciences (TISS), Mumbai. Furthermore, his dedication to scholarly pursuits led him to earn dual Doctor of Philosophy degrees (PhD) in Public Administration and Industrial Relations from Utkal University & Aston Business School, UK. He has also been conferred an Honori Causa Dr of Science Degree by Aston University, his Alma mater in the UK.

His foray into the corporate started in Rayagada (what used to be a very remote place then) with JK Paper and he reached the pinnacle of one of the largest global conglomerates from India. Odisha was the start of his career and he is keen on playing the last big league from Odisha only. His work with the Tata Institute of Social Sciences and Hindustan Unilever Ltd. kept him in close contact with young people and urban and rural consumers. His stint with the aforementioned organizations brought him in close contact with industrial workers, farmers, community members in remote areas and many different groups enriching his learning about India and its facets of challenges including that of Odisha. He has strong exposure to corporate governance in all forms and contemporary business issues such as sustainability, data privacy, intellectual property and business responsibility.

He has supervised numerous schools as part of his management role and set up a well-known public school in Bhubaneswar. He was also the Chairperson of NIT Rourkela and a member Board of Governors of XIM, Bhubaneswar.

He is the epitome of professional excellence. During his various professional roles in CII (Confederation of Indian Industry), as President of the National HRD Network, and in roles with Govt bodies such as ONGC and Karma Yogi Bharat, he played a crucial role in nation-building.

Dr. Misra was until recently the Chairperson of the Ekamra Development Project. He was also a part of the Government of India's significant project Karmayogi Bharat to build a Future Ready Civil Service.

LEADERSHIP WITH PURPOSE

Leadership for him, is a responsibility and not a position.

His entry into the realm of public life underscores his enduring passion for transforming lives and fostering positive change. With an unwavering dedication to ensuring the welfare of society, Dr. Santrupt Misra continues to chart a path of leadership and service, driven by profound respect for human dignity and a steadfast commitment to excellence. His exemplary dedication to serving the greater good, ensuring that the public interest is prioritized above all else, sets him apart.

VALUES

WE (DR. MISRA AND THE PEOPLE WORKING WITH HIM) SHALL CONDUCT OURSELVES IN ADHERENCE TO THESE VALUES.

AUTHENTICITY

We believe in being ourselves & presenting our natural selves while dealing with different stakeholders.

TRANSPARENCY

We keep things open & transparent with the team & other stakeholders unless we have a moral or legal responsibility to maintain secrecy.

HUMILITY

We are rooted & respectful & keep our ears to the ground, while some of us have grown from the grassroots to the global stage, we remain in a learning mode.

COMMITMENT

We believe in delivering what we commit as we only commit what we believe in.

INCLUSIVE

We remain largehearted, giving & gracious in our approach. We do things for stakeholders because we care, keeping zero self-interest & maximum stakeholder interest in mind.

LEADER IN ACTION

“MO CUTTACK”

“MO” CUTTACK IS AN IMAGINATIVE IDEA ABOUT THE FUTURE OF CUTTACK PARLIAMENTARY CONSTITUENCY THAT HAS SEVERAL INGREDIENTS. IT DRAWS ITS INSPIRATION FROM THE MANIFESTO OF BIJU JANATA DAL FOR 2024 ELECTIONS AND INTENDS TO BUILD ON THE STUPENDOUS WORK ALREADY DONE BY THE GOVERNMENT UNDER THE LEADERSHIP OF OUR BELOVED LEADER SHRI NAVEEN PATNAIK. IT WILL FOLLOW THE FOOTSTEPS OF 5T TRANSFORMATION IN ITS ACTION IMPLEMENTATION PROCESS.

THE “MO” CUTTACK IDEA WILL BE DRIVEN AND GOVERNED BY FIVE PRINCIPLES:

THE IDEA OF MO CUTTACK REIMAGINES THREE SIGNIFICANT ASPECTS OF CUTTACK’S FUTURE AND ITS DEVELOPMENT:

ECONOMIC RENEWAL

CUTTACK USED TO BE THE ECONOMIC CAPITAL OF ODISHA AND BECAUSE OF ITS CENTRAL LOCATION, IT HAS ALL THE POTENTIAL TO BECOME THE ECONOMIC HUB OF THE STATE AND ALSO THE CRAFT AND GIFT CAPITAL OF INDIA.

Food Processing

Developing primary and secondary food processing hubs in collaboration with global and regional companies. Heritage sweets and cuisine of Cuttack to be promoted for identity and economic benefits including development of a sweet corridor including GI tag for Dahi Bara and Aloo Dum.

Tourism

Overall tourism development leveraging the cultural and natural heritage of Cuttack (Barabati, Choudwar, Sadar), Badamba, Banki, Athagarh and Khandapada.

Agriculture

Focus on agricultural productivity, infrastructure for handling agricultural produce e.g. cold storage; warehouses and support to farmers through expanding existing govt. schemes. Revive the river economy of the entire area.

Textile, Handloom and Handicrafts

Cuttack has the potential to scale up textile and jewellery using "Tarakasi", Nuapatna/Maniabandha handloom and textile capacity. Integrated design hub to be created with end users as partners. Weavers and artisans market access and development to be the focus.

Industrial

Manufacturing and value-added industrial development to be focused upon. Aligned Skill development along with these initiatives will create new jobs in the constituency.

Integrated Economic Development of Cuttack Lok Sabha Constituency

The development strategy for Cuttack and surrounding areas aims to leverage its rich cultural and natural heritage, agricultural base, and industrial potential to foster comprehensive growth. Tourism, Food Processing, Integrated Agriculture, Sustainable industrial development and textile, handloom and handicrafts will be the focus for this economic renaissance.

All of these will be taken up in an integrated manner aligned with the educational and cultural dimensions of development as subsequently given in this document.

By enhancing agricultural productivity, improving infrastructure for cold storage and supply chains, and extending government support schemes, Cuttack will boost its food processing and integrated agriculture activities. The sustainable industrial development plan includes establishing industrial hubs focused on agricultural products, in collaboration with major corporations, wherever possible.

The strategy also seeks to revitalize the textile, handloom, and handicraft sectors, particularly through promoting traditional crafts like "Tarakasi" and Nuapatna / Maniabandha handlooms by creating integrated design hubs and expanding market access for local artisans. This multi-faceted approach aims to generate significant employment opportunities while preserving and capitalizing on Cuttack's heritage, including its famed cuisine and sweets, to enhance its identity and economic prospects.

CULTURAL REIMAGINATION

CUTTACK USED TO BE, AND STILL IS THE NERVE CENTER OF ALL CULTURAL ACTIVITIES IN ODISHA; FROM “KHATI”, TO BALI JATRA, FROM LITERATURE TO HANDICRAFTS, FROM RELIGION TO SPIRITUALISM, CUTTACK’S CULTURAL HERITAGE IS UNMATCHED.

Bali Jatra

Bali Jatra to be further scaled and internationalized and the great work of our government in the last decade in reviving and scaling it up will be further continued. An international food and music fest with Bali Jatra will attract further tourism revenue along with staging it in Bali, Indonesia, once every three years.

Museum Cum kataki Experience Centre

Reinventing the Cuttacki pride of the past and showcasing what Cuttack used to be by building and creating a museum and experience centre where people would cherish and take pride in their heritage. A world-class Cuttack Convention Centre to facilitate intellectual & cultural discourse.

Traditional Designs, Motifs and Cuisine

Inclusion of traditional design elements and motifs in the integrated design hub mentioned earlier in economic renewal and later in intellectual expansion. Also, the internationalization of traditional Cuttacki cuisine for pride, identity and economic benefits.

Cultural Assets

Durga Puja/Kali Puja/Bali jatra/other festivals at Cuttack to be applied for as intangible heritage under UNESCO. International recognition for intangible heritage will have an integrated effect on the culture and tourism. Create a spiritual corridor connecting locations which all the religious leaders who visited Cuttack. and design “Great Minds” Walk by connecting birth places of all-time great Odias.

Community Centres

Local community centres in the rural areas and sahis in Cuttack city are the nerve centres of the Cuttacki culture. From Bhagabata Tungis to Youth Clubs, we will undertake an integrated approach to develop and continually engage them in all intellectual, economic and cultural development.

Mahanadi Mahan

We will make Mahanadi Mahan again. With dedicated river ghat arati and clean shores to clean water, this will lead a cultural and economic revival for the glory of Mahanadi. Riverfront development with water sport will be focused on.

INTELLECTUAL EXPANSION

WHAT CUTTACK THINKS TODAY ODISHA THINKS TOMORROW. WE WILL CREATE THE INFRASTRUCTURE AND ECOSYSTEM FOR BUILDING, ATTRACTING, RETAINING AND PROPAGATING INTELLECTUAL CAPITAL WHICH HELPS ODISHA/CUTTACK TO LEAD AS A THOUGHT LEADER.

Odia Literature

In collaboration with top international University (like the association with Cambridge University already established), and a corporate sponsor we will set up a research centre which will lead comparative research into Odia literature.

Publications and Media

Work with Kindle, Audible and other platforms along with leading publishing houses to revive and reclaim the space for Odia literature; digitising some of it and creating a repository of all of it, making it accessible for the next generations.

Agriculture Productivity Research

In collaboration between a global research institution, Odisha government and Central Rice Research Institute we will create a tripartite knowledge institution to enhance yield, improve productivity and create patents.

Literary Hubs

Local-level literary hubs will be created to revive the literary traditions of the past including the performing arts. Through these hubs, we will also celebrate eminent historical and contemporary figures from the local areas, be it Utkal Gouraba Madhusudan Das, or forgotten heroes of the Prajamandal movement, Brajakishore Pattnaik and Ramachandra Sahoo, or litterateurs like Kalicharan Pattnaik or Birupakshya Kar. This will inspire the youth to take pride and continue the traditions.

Cuttack Institute of Design

The setting up of CID will create a hub for traditional fashion, jewelry, handloom and textile industry and create world class design capability boosting the acceptance of our products and talent in global markets. This will also help create a hub for the supply chain of handloom and textile helping the industry throughout the state and creating livelihoods for weavers and artisans.

Cuttack Museum of Science & Technology

Cuttack has been known to be at the forefront of innovation related to Science & Technology since time immemorial. To celebrate the spirit of Science, a world-class museum would be set up to experience the scientific development of the past.

ASSEMBLY SEGMENT AGENDA

COMMON THREADS

It was obvious through our interaction across the assembly segments that there are common needs that have to be dealt with while acknowledging the unique needs of each Assembly segment.

DIGITAL CONNECTIVITY

100 % electricity and high-speed Internet connection to each panchayat with solar-powered streetlights in every village; in at least 30% of the villages in 5 years.

MISSION SHAKTI

Mission Shakti bazar in each block to be linked to wider marketplaces to provide market access for indigenous products.

INFRASTRUCTURE FOR COMMUNITY ENGAGEMENT

500-capacity multipurpose halls in selected block with a stage and flexible seating arrangement.

JANA ANUBHUTI FORUM

Digital forums to enlist all the concerns and a schedule for grievance redressal by MP/representative throughout the year digitally and physical meetings at least once a quarter for each Assembly segment.

EMPLOYABILITY

Provide market-led, modern and traditional skill training to youth aged 18-25 to enhance employability by providing access to government programs and skill development initiatives. Set up regional skill centres where necessary.

KNOWLEDGE DISSEMINATION

Connecting all the libraries in Cuttack parliamentary constituency through a digital network.

ATHAGARH

Way Ahead

1. Develop Athagarh as a manufacturing cluster with a focus on improving competitiveness.
2. Enhance employability in sectors like manufacturing, agriculture and textiles by setting up world-class skill institutions.
3. Expand spiritual tourism by promoting pilgrimage sites and cultural heritage destinations and develop Mahanadi ghat at Dhabaleswar Pitha for evening aarti and develop it like a spiritual destination on the eve of Maha Shivaratri.
4. Establishment of cold storage with a supply chain facility for vegetable/fish / etc storage and transport to the market.
5. Develop and support the weavers and handloom sector by creating better market access and providing distinct input facilities.
6. Improving access to alternate education and public health facilities.

BADAMBA

Way Ahead

1. Develop and support the weavers and handloom sector by creating better market access and providing distinct input facilities.
2. Provide clean drinking water facilities to all homes with strict water quality monitoring.
3. Enhance employability in sectors like food processing, agriculture and textiles by setting up world-class institutions.
4. Improving access to alternate education and public health facilities.
5. Establishment of cold storage with a supply chain facility for vegetable/fish / etc storage and transport to the market.
6. Irrigation facilities for agricultural land currently facing water scarcity.

BANKI

Way Ahead

1. Develop more bridge infrastructure to improve connectivity.
2. Establish a food processing hub in Banki.
3. Enhance employability in sectors like food processing, agriculture support and chemicals by setting up world-class institutions.
4. Enhance agriculture infrastructure development, including cold storage, warehouses, irrigation projects, and others.
5. Expand spiritual tourism by promoting pilgrimage sites and cultural heritage destinations and celebrate Mahanadi Worship festival during Pana-Sankranti.
6. Establishment of cold storage with a supply chain facility for vegetable/fish / etc storage and transport to the market.
7. Develop Ansupa Lake along the lines of Lake Geneva as a major tourist attraction.

BARABATI CUTTACK

Way Ahead

1. Alleviate city congestion through the implementation of public parking infrastructure and traffic flow management.
2. Implement high-technology water treatment and drainage infrastructure.
3. Elevate Barabati Stadium to a premier destination for cricket.
4. Promote heritage walk by connecting Cuttack's birthplace of famous leaders or residents. Recreate historic elements such as Utkal Tannery as a tribute.
5. Restore key spiritual and religious centres to attract domestic and international visitors.
6. Develop modern retail infrastructure to provide a world-class shopping experience.
7. Setting up a world-class central library to act as a nodal centre for Cuttack parliamentary constituency for knowledge dissemination.
8. Transform the facilities for the legal profession both at the High Court and lower Court level to improve the administration of justice.
9. Create a collaborative platform between MP, MLA, the Mayor's office, and the Collector's office to expedite development projects and address issues promptly.

CHODWAR CUTTACK

Way Ahead

1. Establish the Choudwar MSME Hub with active government support and revive industrial actions.
2. Establish a world-class logistics and warehouse hub. Address Malgodown issues.
3. Facilitate city development without restricting expansion and operation.
4. Rename one more railway station to reflect its residency.
5. Addressing problems related to Traffic Congestion and Road Infrastructure with world-class Truck Terminals at Entry Points.
6. Augmenting Education and Skill Development with a focus on traditional and cutting-edge skills.
7. Eco protection council set up that includes Greenery development, Water Body management and Environmental Conservation.
8. Heritage Preservation, beautification of tourist attractions and related infrastructure development.

CUTTACK SADAR

Way Ahead

1. Expand access to drinking water facility.
2. Improve road safety measures, especially on major highways. Addressing problems related to Traffic Congestion and Road Infrastructure and creating public parking spaces.
3. Water management and Environmental Conservation and
4. development of outdoor recreation points near the water bodies.
5. Heritage Preservation, beautification of tourist attractions and related infrastructure development such as public toilet facilities.
6. Preservation and Development of all water bodies in the city.
7. Outdoor recreation and sporting infrastructure creation including two Indoor stadiums.
8. Augment health care facility in Sadar
9. Create a food processing hub.

KHANDAPADA

Way Ahead

- 1.Improve agriculture productivity and set up farmer co-operatives to enhance market access for farmers.
- 2.Enhance employability sectors like agriculture technology and food processing by setting up world-class institutions.
- 3.Irrigation facility for agricultural land currently facing water scarcity.
- 4.Expand and upgrade tourism infrastructure in the Khandapada Area with upgraded and Modern Tourist Infrastructure and set-up Lord Jagannatha culture network close to Nilamadhaba temple.
- 5.Establishment of cold storage with a supply chain facility for vegetable/fish / etc storage and transport to the market.
- 6.Set up Pathani Samanta National Monument and Observatory.
- 7.Explore Industrialization options.
- 8.Connect Narasinghpur and Khandapada with a bridge to facilitate easy and quick transportation.

TRANSFORMATION IN PROGRESS

Taladanda Canal before bridge

Taladanda Canal after bridge

Jobra-Taladanda Bridge changed the place while cutting down travel time

TRANSFORMATION IN PROGRESS

**₹700 crore Barabati Stadium
Upgradation project started**

**SCB MCH is being transformed into
an AIIMS + Hospital**

**₹4500 crore project will make SCB
one of the top hospitals in the country**

TRANSFORMATION IN PROGRESS

₹70 crore Cuttack Chandi transformation Project Started

All Temples in the region will be included in the masterplan for temple development
